Memo

To: Members of Dublin City Council
From: Marsha I. Grigsby, City Manager 
Date: May 2, 2013

Initiated By: William Grubaugh, Acting Director of Streets and Utilities
Re: Resolution 22-13 - 2013 Street Light Pole Painting Project

Summary

The Division of Streets and Utilities solicited bids for the 2013 Street Light Pole Painting Project. This project includes painting street light poles and bases, painting traffic signal mast arms, electronic signage poles and painting street light and traffic control cabinets. The bids included a base bid and an alternate to perform the reconditioning and priming of light pole bases. Staff recommends selecting Alternate #1, which will provide for the reconditioning and priming of certain identified light pole bases that have been problematic for the City's contractors in past years.

Five bids were received. The results are summarized as follows:

<u>Vendor/Contractor</u>	<u>Bid Amount (Alternate #1)</u>
Martin Painting & Coating Co.	\$145,641
Brian Brothers Painting and Restoration, LLC	\$160,996
Kastra, LLC	\$178,319
The Painting Company	\$182,137
Southwest Companies	\$214,661

Staff and legal counsel have thoroughly reviewed Martin Painting's bid, have verified the bid was responsive to each inquiry made by Dublin in its solicitation and contained no noticeable irregularities or qualifications. Martin Painting has extensive experience in providing the type of work specified by Dublin in its solicitation, and Dublin has had favorable experiences with Martin Painting on past Dublin projects. Reference checks have been completed for Martin Painting and found to be favorable. Work is expected to begin within the next three weeks and conclude in mid-September.

Recommendation

Based on the foregoing analysis, staff recommends Council approval of Resolution 22-13, accepting the proposal of Martin Painting and Coating Co. in the amount of \$145,641.00 and authorizing the City Manager to enter into a contract with Martin Painting and Coating Co. for this project.
